Prayer and Welcome (E.J.)	
Formal Approval of the March Minutes	We Reviewed the minutes and approved the minutes. There were only 2 parents present, so after our Math learning and Financial update we agreed that Mr. Hunt would leave \$12 000 in the budget for future projects and that we would fully fund the BBQ. The rest of the money could be spent provided it aligned with our Setting the P.A.C.E. vision.
Math Strategy: Choral Counting (Miss Luis)	
Wellness Room Update (Miss Luis)	We did not confirm whether a final meeting would take place, because the end of the year seemed too busy for everyone to get together.
